https://nephio.org/events/

Meeting Type:

This will be a **primarily in-person meeting**. Everyone is encouraged to join in-person.

Virtual meetings will be added but will be very limited due to in-room discussions.

Virtual meetings will use Google Meet, as this is integrated with Google's in-room video conferencing.

Google Meet does not require a Google account. See this help article for how to use Google Meet without a Google account.
