

Nephio Experimental Code Repositories on GitHub

This page is also available via a shortcut: <https://nephio.org/experimental>.

The [nephio-experimental GitHub organization](#) is copyright by the Nephio authors.

All code contributions are covered by the Contributor License Agreement (CLA) as managed by Linux Foundation's [EasyCLA tool](#).

The git repositories in this GitHub organization all have the following preamble in the `README.md` file in their root directory:

```
WARNING: This repository is published by the [Nephio Authors](https://nephio.org/) but is
neither endorsed nor maintained by the Nephio Technical Steering Committee (TSC). It is intended
to be used for reference only. The Nephio distribution repositories are located in the
[`nephio-project` organization](https://github.com/nephio-project). For more information
[see this page](https://nephio.org/experimental).
```
